

Custom Order Worksheet For EMS Guardian Series Opacity/Dust Detector

Contact: _____ Company: _____

Purchase Order #: _____ Log #: _____

Plant Location: _____ Information Supplied by(name): _____

NOTE: Please submit separate forms per monitor ordered.

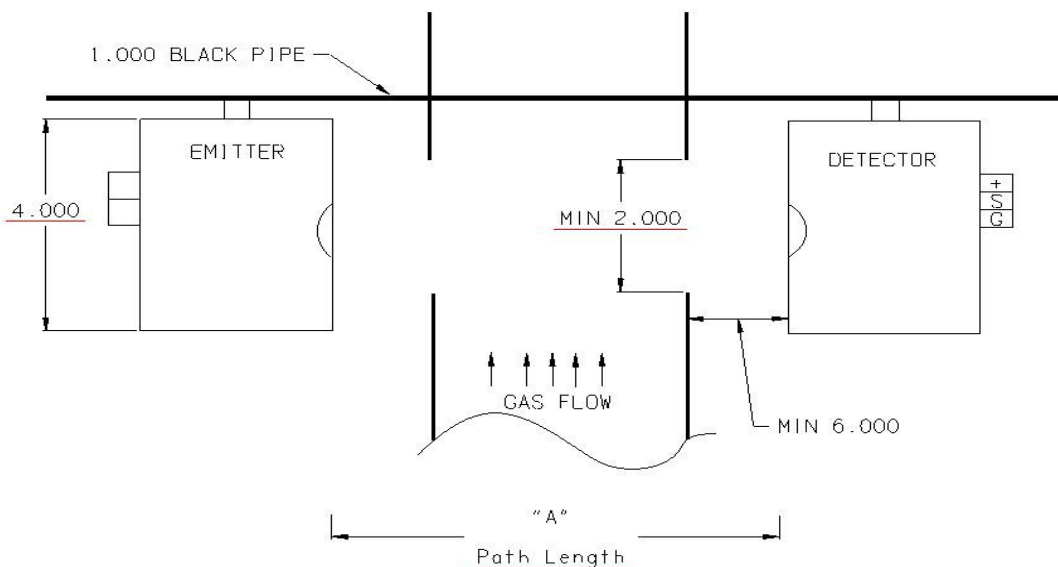

The opacity detector you have purchased will be individually built according to the information requested below. While utilizing a basic design, each unit is set up and adjusted to meet the requirements set forth by your parameters. The unit is then tested based on these strict requirements to be able to perform at these parameters. If the actual parameters are in fact not the same as those stated below, the unit would have to be returned, readjusted and retested at a significant cost. It is for this reason that we ask you to carefully fill out the information requested in this form.

This completed sheet should be sent to: EMS, PO Box 4340, Yalesville, CT 06492 or Fax 203-634-6663 or e-mail dbissoni@emsct.com for fastest delivery, otherwise a delayed delivery may be expected.

NOTE: These items below must be filled in! All measurements must be identified as Inches, Ft, mm, cm, etc.
